PRODUCT SPECIFICATIONS

Maize Flour (Corn Flour)

Corn Flour is a finely ground flour made from premium-quality yellow maize. It is widely used in bakery products, tortillas, snacks, soups, sauces, breakfast cereals, gluten-free food formulations, and industrial food processing. Its vibrant color, mild flavor, and excellent thickening properties make it a valuable ingredient across global food industries.

- Premium Quality Maize
- Fine & Smooth Texture
- Naturally Rich in Carbohydrates
- Hygienically Processed
- High Purity
- Excellent Milling Quality
- Long Shelf Life
- Export Quality Packaging

Dietary Advantages

- Naturally Gluten-Free
- Vegan Friendly
- Vegetarian Friendly
- Easily digestible
- Excellent thickening and binding properties

MANUFACTURING PROCESS

Premium yellow maize is cleaned, de-germed (where applicable), finely milled, and sieved for consistent particle size, and hygienically packed using modern food-grade processing systems.
